MEMORANDUM FOR: Deputy Director for Legislation, OCA

FROM: Daniel A. Childs, Jr.
Director of Finance

SUBJECT: Office of Finance Comments on Intelligence Community
Program for 101st Congress

REFERENCE: OCA-2888-88, dated 26 August 1988

John

1. I have reviewed the proposed Intelligence Community Legislative Proposal for the First Session of the 101st Congress, and offer the following comments:

- The DIA personnel-related benefits proposals appear to be premature in light of the Congressionally-mandated NAPA study in this area.
- I continue to have serious reservations about the wisdom of providing DoD broad discretionary confidential funds expenditure authority as proposed in Section 101/1-7; or the perennial non-official cover authority they seek in Section 101/1-10.

2. Let me know if I can be of any further assistance in this matter.
